Dear Karen and Children in the LOGOS Ministry:

On behalf of the recipients and volunteers of Chalmers Community Services Centre, I would like to thank you for the hats, scarves, and gloves for adult males, adult females and children. They were very well received and were distributed as soon as they came in!

CCSC provides emergency food, clothing and household items, mending of clothes, and support and referral at no cost. We strive to serve those in need without prejudice; all are welcome.

Thank you for your loyal support!
