Dear LOGOS Ministry Children, Youth, and Staff,

On behalf of all Officers, Senior Non-Commissioned Officers, and Enlisted Soldiers of 11th Field Regiment, Royal Canadian Artillery, I sincerely thank you for your care package delivered to us on 02 Apr 19.

While we appreciated the assortment of treats and snacks, it was the appreciation shown by all of you for the work of the Canadian Armed Forces that was especially heartwarming.

It is also especially encouraging to see that young people are being taught to care for others; which is an excellent way to stop violence before it begins, or to remedy disaster when it strikes.

I personally believe the words of Christ in the gospel of John, that *others will know that you are Christ's disciples by your love for one another*. I would like to encourage you that your care package communicated this message.

Yours truly,

N.B. Maher
Captain
Operations Officer
