

CHRISTMAS

# Without You

How very much  
you're missed  
I think you somehow know,  
For, I feel you beside me  
No matter where I go.

To be reminded of you  
I don't have to go that far,  
For, every night I see  
your face  
In every shining star.

As every moment  
passes by  
Now that Christmas  
time is here,  
I'll be thinking of  
the joy we shared  
At this special time  
of year.

*In Loving Memory*
