## LOGOS is GREAT!

LOGOS is an exciting mid-week Christian program for children and youth from Junior Kindergarten to Grade 12. For 2 ½ hours every Wednesday evening, your child can experience living the Christian faith through themed dinners, silly games, exciting music and drama and engaging Bible study and co-operative recreation and play. The fun never stops at LOGOS.

The best parts of LOGOS are the quality friendships formed with other children and the meaningful relationships developed with our many great adult leaders.

Parents participate and become a part of this exciting LOGOS family so the experience can be carried home and shared together.

## The Four Parts of LOGOS

### Family Time

Dinner is served! Each week we share a delicious, kid-friendly, family-style meal. Our weekly theme is carried out in the grace, the food, the thank-you to our wonderful, volunteer cooks and most of all in the crazy games we play in our table groups. Table parents make every meal a special occasion and birthdays and half birthdays are always celebrated. Check the back of this brochure for our dinner themes.

### Bible Study

The Bible comes alive through investigative study and hands-on learning. Each participant will experience stories, questions, games and reflection. The curriculum is both age-appropriate and a complement to the Sunday School curriculum. Each grade level follows a theme for the year as all children discover what it means to be a Child of God.

### Worship Arts

Getting kids involved in Sunday worship is the number one goal of Worship Arts. Musical activities such as singing, drumming, and playing boom-whackers, ice-cream tubs and even garbage cans are featured. Drama and scripture reading also have a role. Our LOGOS children will participate regularly in Sunday worship.

### Recreation/Play

FUN is the name of the game at LOGOS. Cooperative games, crafts and hobbies can all be experienced. Children will make things, participate in active play and even use the parachute and scooter boards. You'll laugh like never before!
