Gifts of Change

As we celebrate God's great gift of love during Advent, we also share our gifts with others. These gifts help change lives in Canada and around the world. When you choose a gift from the Gifts of Change catalogue you become part of the bigger picture of hope and change that is happening through the Presbyterian Church in Canada and our partners.

Every gift is a gift of hope to someone and changes lives.

Please prayerfully consider making a special gift this Christmas.

Gifts of Change catalogues can be found at each of Sanctuary doors in the church, or a digital copy can be found at: [Gifts of Change 2023-2024 \(presbyterian.ca\)](https://www.presbyterian.ca/gifts-of-change)

The direct link to donate to the Knox Gift of Change project is :

Thank you for your prayerful consideration and support of our Knox Guelph Giving Tree initiative to helping others during this season of giving.
